State Funding Spotlight: California Grants Portal

Grants.ca.gov is managed and hosted by the California State Library and provides a centralized location to find state grant opportunities in the State of California.

The screenshot shows the homepage of the California Grants Portal. At the top left is the logo for CALIFORNIA GRANTS PORTAL with the CA.GOV logo. Navigation links include Find Grants, About This Site, Using This Site, For State Agencies, Subscribe, News, and Contact. A newsletter subscription box asks users to subscribe for email notifications. The main heading is "FIND YOUR OPPORTUNITY". Below it, a search form is partially filled: "I am Business, Public Agency looking for funding in Housing, Community and Economic Development sector with at least Any Timeframe until the application deadline." There are two buttons: "Show Me the Opportunities" and "SHOW ME EVERYTHING". A dropdown menu for "Any Timeframe" is open, showing options: any timeframe (checked), 1 month, 3 months, 6 months, and 1 year.

The screenshot shows the "FIND GRANTS" search results page. It features a "REFINE RESULTS" section with a "Keyword search" field and a "Filter grants by..." section. The filters include: AGENCIES (Any Agency), CATEGORY (Housing, Community and Eco...), ELIGIBLE APPLICANT (Business, Public Agency), and DISBURSEMENT METHOD (Any Disbursement Method). There are also checkboxes for "Do not show" Loan Opportunities and Opportunities requiring matched funding. A "CLEAR SEARCH TERM(S)" button and an "Apply" button are present. The results are displayed as "Displaying 1 - 9 of 9" items. Below the filters is a table of results:
